*APR = Annual Percentage Rate. Balance Transfers receive the 3.90% introductory APR for 365 days from the date balance is transferred to DCFCU Credit Card. After 365 days, the APR will convert to the variable rate ranging from 7.90% to 17.90%. Purchases will be subject to the variable APR ranging from 7.90% to 17.90%. ** For New Card Holders only, the rate you receive on your card is based on credit evaluation. Offer subject to credit evaluation. Offer subject to change without notice. Offer ends on October 15, 2013.
